achievements in the held of news, and public affairs programming."

"We are actively exploring the possibility of a whole group of additional major programs dealing with the problem of Communism and its challenge to the free world," Kintner said.

"It is somewhat startling," Kintner added, "to consider that young men of 18 who are now entering our armed forces were."

entering our armed forces were only 6 years old when the Com-munists invaded South Korea. We believe it is important that they have a real understanding of the nature and meaning of the threat against which the nation ix asking them to stake their lives."

'Update' Crew's Job

The telecast will be put togetner by the production team responsible for "Update," the news program aised at school children.

According to north and public affairs V.P. Julian Hoodman, the affairs V.P. Julian Boodman, the program will be sein during an early evening time period in September or October Said Goodman: "It will cover everything, from Mark and Effects to where the latest body had been moved in the Kremlin." "I paste" host Robert Abernethy will be the on-camers rarrather.
